Subject: We have updated our Provider Change/Termination form

Summary: We have updated our Provider Change/Termination form. This form replaces our previous Add/Change form.

Recently, AmeriHealth Caritas New Hampshire replaced its Add/Change form for provider additions and changes with a new Change/Termination form. This form serves the same purposes, but aligns more closely with our work processes. Please do not use versions of the old form, and consider deleting copies of them from your computers if it was saved locally.

The new Provider Change/Termination form can be found on the Provider Manual and Forms page at <https://www.amerhealthcaritasnh.com/provider/forms/index.aspx>.
