

AmeriHealth Caritas[™]

New Hampshire

To: AmeriHealth Caritas New Hampshire medication-assisted therapy provider

Date: June 6, 2023

Subject: New incentives for medication-assisted treatment (MAT) for substance use disorder

Summary: New incentives for medication-assisted treatment providers.

We are pleased to announce the following incentive program for providers who provide medication-assisted treatment (MAT) to AmeriHealth Caritas New Hampshire members.

AmeriHealth Caritas New Hampshire will provide the following reimbursement for providers who provide MAT, as follows:

- Providers who are providing MAT to between one and 30 AmeriHealth Caritas New Hampshire members per quarter: those providers will be **reimbursed an additional \$10.00 per member per quarter** per year.
- Providers who are providing MAT care to between 31 and 100 AmeriHealth Caritas New Hampshire members per quarter: those providers will be **reimbursed an additional \$20.00 per member per quarter** per year.

To be eligible for these incentives, providers must:

- Be a participating provider with AmeriHealth Caritas New Hampshire
- Bill MAT services with an HF modifier.
