To: AmeriHealth Caritas New Hampshire Providers

Date: October 19, 2021

Subject: 2021 is almost over — please schedule your teen and young adult patients due for their annual well visit this year

Summary: Ensure that all your patients ages 12 – 21 get their annual well visit before the end of the year.

How does it help?

Help your practice earn your incentive money from the Quality Enhancement Program and help reduce potential no-shows by reminding members of their \$30 well visit incentive.

Help your teen and young adult patients with healthy behaviors and remind AmeriHealth Caritas New Hampshire members that they are eligible for a \$30 well visit incentive when attending the well visit appointment.

Be sure to use a service (CPT) and/or diagnosis code on the well visit claim so the visit is identified correctly and counted toward your and the member's incentive.
