Subject: AmeriHealth Caritas New Hampshire Notice About Rite Aid Closures and How They May Affect Your Patients

Summary: Rite Aid recently closed several locations in New Hampshire. Patient records will be transferred to other local pharmacies. Rite Aid has notified affected patients.

The chart below shows which New Hampshire Rite Aid locations have closed, the date they closed, and where patient prescription records have transferred.

Rite Aid has reached out to patients directly by mail to let them know which pharmacy locations their prescription files have transferred to.

NPI	Address of Closed Rite Aid	City	Closure date	Transfer location	NCPDP*
1174622443	356 Lafayette Road, Route 1	Hampton	11/29/2023	CVS	N/A
1568571966	420 Daniel Webster Highway	Merrimack	11/5/2023	Albertson	N/A

1659480069	4976 Dartmouth College Highway	Woodsville	9/10/2023	4182 (Rite Aid)	3005318
1447359724	31 Garden Road	Plaistow	8/21/2023	Walgreens	N/A

*National Council for Prescription Drug Programs

In addition to the letter mailed to patients, signs have been posted on the windows and doors of the closed Rite Aid locations advising customers where their prescription records have been transferred and how to fill their future prescriptions at the receiving pharmacy.

The pharmacy phone line of the closed location automatically forwards to the location receiving the prescription records to support any additional questions customers may have.
