## New Hampshire

**To:** AmeriHealth Caritas New Hampshire Providers  
**Date:** October 11, 2021  
**Subject:** Include birth weight and gestational age with birth event notifications

**Summary: Ensure that all birth event notifications include birth weight and gestational age.**

AmeriHealth Caritas New Hampshire would like to remind providers to include birth weight and gestational age with all birth event notifications. There are spaces to enter this information on the State of New Hampshire's standardized Birth Event Notification form. You can find the form on our website at <https://www.amerihealthcaritasnh.com/assets/pdf/provider/resources/forms/delivery-notification-form.pdf>.

This information is important to help ensure the best care, guide us in further supporting our members, and help us evaluate the effectiveness of our care management programs and interventions. So please be sure to include birth weight and gestational age when you notify us of a birth.

**Questions:**

Thank you for your participation in our network and your continued commitment to the care of our members. If you have questions about this communication, please contact your Provider Account Executive or the Provider Services department at **1-888-599-1479**.
