Summary: We are continuing the Post Appointment Member Satisfaction Survey and the outstanding care that you provide have made a real difference

As you know, AmeriHealth Caritas New Hampshire works in collaboration with our providers to help ensure that our members receive comprehensive, quality, and culturally responsive care. One of the tools we use to evaluate the member care experience is our Post Appointment Member Satisfaction Survey.

We're excited to share that we are continuing the Post Appointment Member Satisfaction Survey and that's thanks to *you*. Your dedication and the outstanding care that you provide have made a real difference, and we deeply appreciate your efforts. Your commitment has directly contributed to improving outcomes and experiences for our members.

As a reminder, providers can view their member satisfaction ratings through the Post Appointment Survey Provider Scorecard, available in the NaviNet provider portal. To access this feature, login to NaviNet, and navigate to: **Workflows for this Plan→Report Inquiry→Clinical Reports→Post Appointment Survey Provider Scorecard**.
